Almost 30% of LGBTQ+ youth reported experiencing homelessness or housing instability at some point in their lives – and those who did had two to four times the odds of reporting depression, anxiety, self-harm, considering suicide compared to those with stable housing.

Last year, the Chamber Holiday Food Drive provided over 15,000 free meals to LGBTQ+ seniors at the Law Harrington Senior Living Center, an LGBTQ-affirming housing center, and other non-residents through the Montrose Center programs.

This year we again ask for your help to support LGBTQ+ youth in need. Donations will also help fill the supplies and food needs at Tony's Place, resource center and community space focusing on LGBTQ+ youth who are in need of help with safe housing, queer health services, educational support, and more.

For the Chamber, the Holiday Food & Supply Drive is about community and giving back during the holiday season. The Chamber is using our resources to bring together business and community to support LGBTQ+ youth this holiday season. We share because we care and we need YOUR help!
